Parking Lot Procedures

- 1) Do NOT park in pick-up/drop-off lane. If your child is not there at pick-up time, please go around the parking lot (allow other parents to pick up their children). Students should enter/exit cars from the curbside.
- 2) Do NOT allow your child to walk/run across the parking lot alone. Please walk your child to ensure their safety.
- 3) Observe the direction of the painted arrows and drive accordingly.
- 4) The area in front of the flagpole may be a good location to designate as a pick-up area for your child. (Again, if your child is not there, please go around the parking lot to allow other parents to pick up their child.)
- 5) Please note that we have designated some parking in front of the office for the HANDICAPPED.
- 6) NO DOUBLE PARKING in parking lot. Please use the visitor parking or field parking (along fence line fronting Woodlawn Drive). Exception: Muddy fields-no parking.
- 7) NO pick-ups or drop-offs in the Thru Lane
- 8) Please DO NOT block area by the recycle bin and the trash dumpster (Trucks come and go during the day to haul bins.)
